

HORN'S STUB FILE
"Nonpareil" 74-4633

Flexible, Continuous Guard Back
Gummed Stubs Corrugated
Prevents Curling and Adhering

Patented, Oct. 27, 1876. Dec. 5, 1876. Nov. 29, 1881.

DIRECTIONS FOR FILING

Moisten the Gummed Stub, but put a strip of oiled paper underneath, to prevent the previous filing from soaking; put your document in accurate position, then withdraw the oiled paper and proceed filing, and when finished, close the covers in order to give the last attachment time to dry under a slight pressure.

Stock Sizes, in 250 and 500 Stubs (gummed): 6x9, 7x11, 8½x9, 9x11, 10x12, 9x13, 9x15, 11x15, 12½x17½. Special Files made to order.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

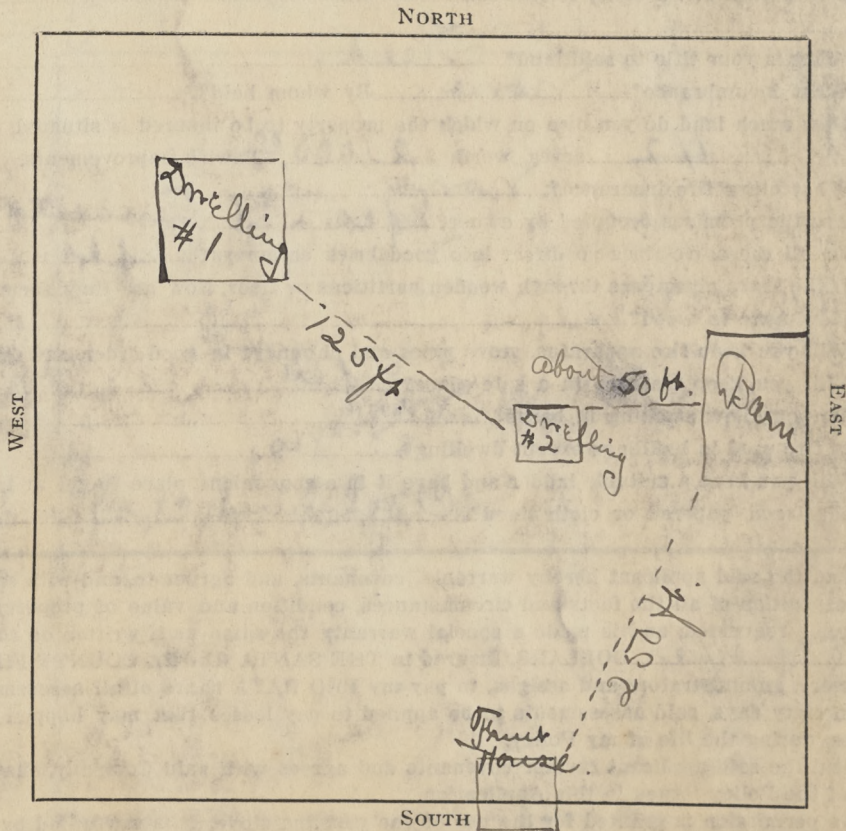

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1 being situated on South side of San Francisco Road
about 1/8 of a mile East of Old Mountain View, S.C. Co., Cal
House and Barn No. 2 being situated on same property

1. What is your title to said land? Deed.
2. What incumbrance? none. By whom held?
3. How much land do you own on which the property to be insured is situated, and what is its value?
4.2 acres, worth \$ 21,000.00 with improvements.
4. What other fire insurance? none.
5. Are the premises occupied by owner? Yes. and Tenants in House #2.
6. Do all the stove-pipes go direct into good brick chimneys? Yes.
7. If the stove pipes pass through wooden partitions or floor, how are they secured?
8. How near to wood?
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? No.
12. Is fire used in buildings except dwellings? No.
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Cloth-lined, closely latched and papered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 3885 and 00/100 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 17 day of February 1917

House and Barn No. 1 being situated on the West side of Saratoga and Alviso Road, about 2 1/2 miles from Santa Clara, Santa Clara Co., Cal.
 House and Barn No. 2 being situated on same property.

1. What is your title to said land? Deed.
2. What incumbrance? 4500.00 By whom held? J. P. Jones.
3. How much land do you own on which the property to be insured is situated, and what is its value?
50 acres, worth \$ 40000.00 with improvements.
4. What other fire insurance? none.
5. Are the premises occupied by owner? Yes.
6. Do all the stove-pipes go direct into good brick chimneys? One into terra-cotta
7. If the stove pipes pass through wooden partitions or floor, how are they secured? pipe in terra-cotta.
8. How near to wood? 3 inches
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? no.
12. Is fire used in buildings except dwelling? no
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Twenty-two Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 23 day of February 1917.

House and Barn No. 1 being situated on the Creek Road, about 1 1/2 miles East of Gilroy, Santa Clara Co., Cal.
House and Barn No. 2 being situated

1. What is your title to said land? Deed
2. What incumbrance? None By whom held?
3. How much land do you own on which the property to be insured is situated, and what is its value?
25 acres, worth \$ 12000.00 with improvements.
4. What other fire insurance? None
5. Are the premises occupied by owner? Yes
6. Do all the stove-pipes go direct into good brick chimneys? Yes
7. If the stove pipes pass through wooden partitions or floor, how are they secured?
8. How near to wood?
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes
10. Will you keep matches in a safe place? Yes
11. Do you allow smoking in barns? No
12. Is fire used in buildings except dwelling? No
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes
14. Plastered, papered or cloth lined? Cloth lined, closely tacked and papered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 750 and 60/100 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 23 day of February 1917.

San Jose. Cal.

Dear Madam:

Enclosed find check for \$5.00 in payment for renewal of my policy. The only changes in the property insured is that I have expended about \$400.00 in improvements, such as porches painting, additional rooms, installed electric lights, and such in house. The barn I am going to tear down, and enlarge with more conveniences, also put in electric lights, so as to not have any occasion to use matches or lantern. The policy should be made out to J. L. Lindeleaf as Father died some time ago. Trusting this is satisfactory I am.

Very respectfully yours

J. L. Lindeleaf

Paid. - Feb. 23, 1917 J. L. Lindeleaf APPLICANT.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1 being situated on North side of Hamilton Ave. 4300 ft. on Leigh Avenue, and Meridian Road, Santa Clara Co., Cal.

House and Barn No. 2 being situated

What is your title to said land? Deed.

What incumbrance? none By whom held? P.H. Davis - "Loss payable" Mar. 4, 1917.

How much land do you own on which the property to be insured is situated, and what is its value? 10 1/4 acres, worth \$ 15000.00 with improvements.

What other fire insurance? none

Are the premises occupied by owner? Yes.

Do all the stove-pipes go direct into good brick chimneys? Yes.

If the stove pipes pass through wooden partitions or floor, how are they secured?

How near to wood?

Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.

Will you keep matches in a safe place? Yes.

Do you allow smoking in barns? no

Is fire used in buildings except dwelling? no

Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.

Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Four Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 6th day of March 1917.

House and Barn No. 1 being situated on corner of Infirmary Road and
Hamilton Avenue near Campbell, Santa Clara Co.
House and Barn No. 2 being situated

1. What is your title to said land? Lease.
2. What incumbrance? none By whom held?
3. How much land do you own on which the property to be insured is situated, and what is its value?
6 1/2 acres, worth \$ 11000.00 with improvements.
4. What other fire insurance? none
5. Are the premises occupied by owner? Yes.
6. Do all the stove-pipes go direct into good brick chimneys? Double iron flues, filled with cement
7. If the stove pipes pass through wooden partitions or floor, how are they secured? Yes.
8. How near to wood?
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? no
12. Is fire used in buildings except dwelling? no
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Forty-five Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

House and Barn No. 1 being situated # 666 Emory St. - South side, 2nd House East of Elm St., College Park, Santa Clara Co., Cal.

House and Barn No. 2 being situated

- What is your title to said land? Deed.
- What incumbrance? none By whom held?
- How much land do you own on which the property to be insured is situated, and what is its value? Lot, 50 x 200 ft. acres, worth \$..... with improvements.
- What other fire insurance? none.
- Are the premises occupied by owner? By a tenant.
- Do all the stove-pipes go direct into good brick chimneys? Yes.
- If the stove pipes pass through wooden partitions or floor, how are they secured?
- How near to wood?
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes
- Will you keep matches in a safe place? Yes.
- Do you allow smoking in barns? no barn.
- Is fire used in buildings except dwelling? no.
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes
- Plastered, papered or cloth lined? Mostly plastered - part papered on wood.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Eighteen Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 9 day of March 1917

March 21 - 1917

Messrs. Santa Clara Co F. Ins. Co.,
San Jose Calif.

Gentlemen:-

Replying to yours of this date, the other policy referred to covers the house only, and is for \$500. My insurance on furniture expired on the 18th. You may make your policy effective immediately and I will cancel the other as soon as I am covered.

There is no stovepipe through roof of dwelling, one brick chimney accomodates both stoves. There is one stovepipe in the shop.

I have always had a permit to operate incubators in the cellar, and while I am going out of the poultry business I want the privilege of running an incubator if desired. There is no incubator in any outbuilding.

Very truly yours,

C. F. Alexander -

Note said that no permit
could be given for use of
incubator in any bldg. insured.

 Expired - March 28, 1922.

School House and Barn being situated on Almaden Road, about Four miles
South-West of San Jose, Santa Clara County, Cal.
 House and Barn No. 2 being situated

- What is your title to said land?
- What incumbrance? By whom held?
- How much land do you own on which the property to be insured is situated, and what is its value?
 acres, worth \$ with improvements.
- What other fire insurance? none
- Are the premises occupied by owner?
- Do all the stove-pipes go direct into good brick chimneys? Yes
- If the stove pipes pass through wooden partitions or floor, how are they secured?
- How near to wood?
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes
- Will you keep matches in a safe place? Yes
- Do you allow smoking in barns?
- Is fire used in buildings except dwelling? School no
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes
- Plastered, papered or cloth lined? Ceiled

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Four Thousand DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned, is affixed, this 27 day of March 1917

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.

Exposure and Terra-cotta; Rate, 25c on \$100.

Exposure and Stovepipe; Rate, 35c on \$100.

Exposure and cloth-lining; Rate, 25c on \$100.

Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.

Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.

Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.

Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.

Dairies and Cheese Factories—Rate, 30c on \$100.

Steam Engines, Boilers, etc.; Rate, 40c on \$100.

School Houses and Churches; detached; Rate, 30c on \$100.

Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

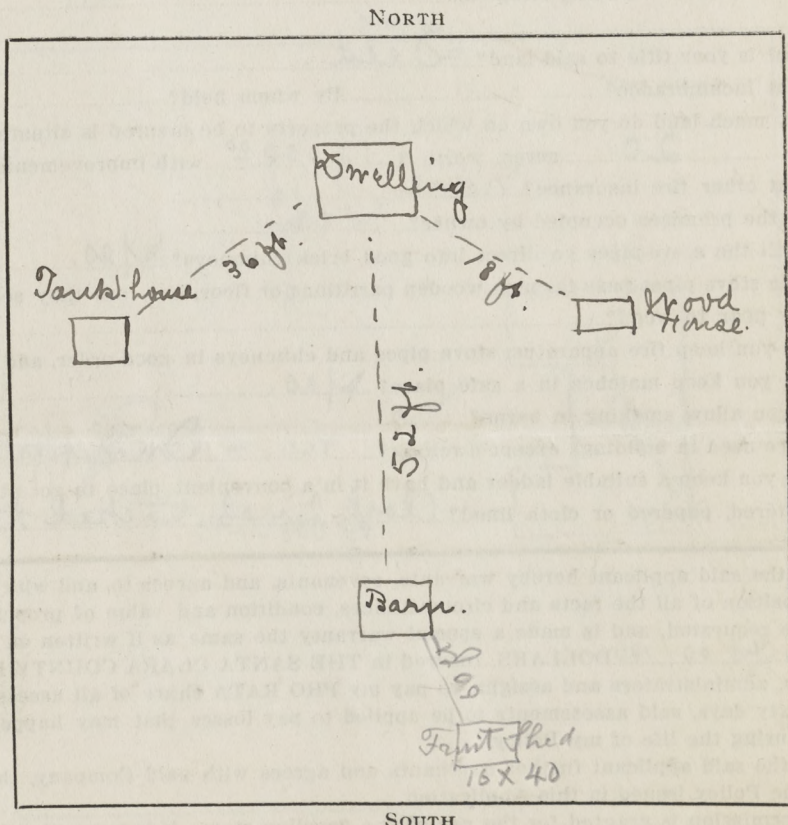

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1 being situated on Stevens Creek Road (near West San Carlos Dr.) about 1/2 miles West of San Jose, Santa Clara Co., Cal.
House and Barn No. 2 being situated

1. What is your title to said land? Seed.
2. What incumbrance? None. By whom held? La Lotia.
3. How much land do you own on which the property to be insured is situated, and what is its value?
1 1/4 acres, worth \$ 3,500.00 with improvements.
4. What other fire insurance? none.
5. Are the premises occupied by owner? Yes.
6. Do all the stove-pipes go direct into good brick chimneys? Yes.
7. If the stove pipes pass through wooden partitions or floor, how are they secured? Yes.
8. How near to wood? Yes.
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? no.
12. Is fire used in buildings except dwelling? no.
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of One Thousand DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 5th day of April 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.

Exposure and Terra-cotta; Rate, 25c on \$100.

Exposure and Stovepipe; Rate, 35c on \$100.

Exposure and cloth-lining; Rate, 25c on \$100.

Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.

Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.

Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.

Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.

Dairies and Cheese Factories—Rate, 30c on \$100.

Steam Engines, Boilers, etc.; Rate, 40c on \$100.

School Houses and Churches; detached; Rate, 30c on \$100.

Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

Dear Miss Taylor.

Dear Mrs. [unclear]
Enclosed please find
the Beatty application for fire insur-
-ance corrected as you asked for in
yours of the 23rd inst.

There is one brick chimney - and in another room there is a tin cap on the side of the house through which a stove pipe passes. So the house would take the higher rating.

The lining is tacked to the dwelling
and then papered.

Make the Policy Payable to W. J. Beatty Jr.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.

Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.

School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1 being situated on East side of Stevens Creek, 2 1/2 miles from Sterling Road, about 2 miles from Mountain View, Cal.
 House and Barn No. 2 being situated on same property.

- What is your title to said land? Deed.
- What incumbrance? 2000 By whom held? Mrs V.C. Crittenden (mother)
- How much land do you own on which the property to be insured is situated, and what is its value?
1.60 acres, worth \$ 32,000.00 with improvements.
- What other fire insurance? none
- Are the premises occupied by owner? yes
- Do all the stove-pipes go direct into good brick chimneys? yes in dwelling - In Moris House, a terra-cotta flue
- If the stove pipes pass through wooden partitions or floor, how are they secured?
- How near to wood?
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? yes
- Will you keep matches in a safe place? yes
- Do you allow smoking in barns? no
- Is fire used in buildings except dwelling? In Moris House, used as a laundry once a week
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? yes
- Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Forty-five Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, he, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental penses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 2 day of May 1917.

Policy Fee, \$ 1.00
 Rate Fee, \$ 20.90
 Total, \$ 21.90

Mrs Fanny Crittenden
Per. Albert H. Crittenden

Paid - May 12, 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.

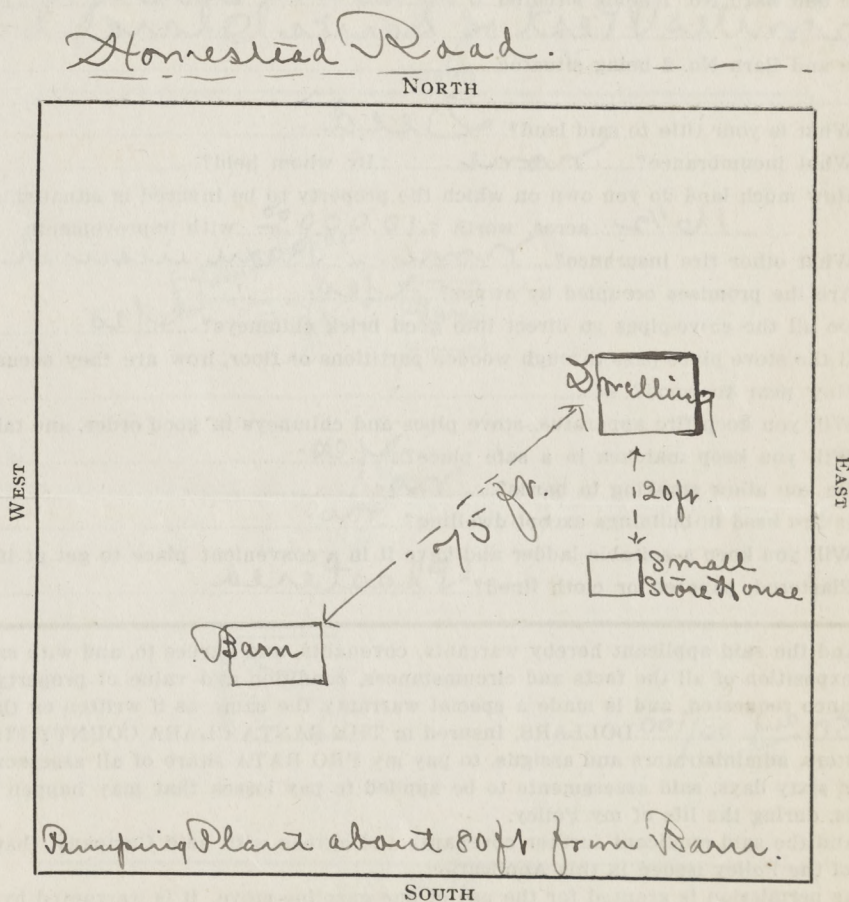

Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

San Jose, Cal.,

May 7th

1918

Miss Ella A. Taylor -

Sec. Santa Clara Co. Fire Ins Co.,
San Jose, Calif.

Dear Miss Taylor -

I wish you would renew my policy and add two
new risks,

Since the last policy was issued I have
bought 500 trays and have built a large
shed for covering them and also for a tool shed.
A conservative value on the trays would be \$250.00
and \$150.00 for the shed, making a Total of \$400.00.

Will you kindly draw up the new policy
to cover the new risks. -

Phone 5509 RA

Very Sincerely
Albert Foster,

143/✓

Classification of Risks

First class dwellings and contents detached; basis rate, 10c on \$100.

DEFICIENCIES

1. One or more terra-cotta flues, extending through roof, floor or side walls, adds one fifth to basis rate; Rate, 12c on \$100.
 2. One or more stove pipes, extending through roof, floor or side walls, doubles basis rate; Rate 20c on \$100.
 3. Cloth lining for whole or any part of dwelling, unless closely tacked to boards, and papered or painted, adds 1/2 to basis rate; Rate, 15c on \$100.
 4. Exposure (dwelling less than 60 feet from buildings classed as exposures) adds 1/4 to basis rate; Rate 15c on \$100.
- Exposure and terra-cotta flue... Rate 17c on \$100.
Exposure and stove-pipe... Rate 25c on \$100.
Exposure and cloth lining... Rate 20c on \$100.
- Galvanized iron flues, incased in cement, or in larger flues with air chamber between, are classed with brick chimney, and rate as first-class.
- Tank houses if near dwelling, rate with it. If close to barn, rate with barn.
- Barns or stables, detached and their contents, rate at twice a dwelling; Rate 20c on \$100.
- Barns, (Exposure), rate 2 1/2 times basis rate; Rate, 25c on \$100.
- Fruit houses and Fruit driers (private), sheds, shops, store houses, and other out-buildings, detached. Rate 20c on \$100.
- Dairies and cheese factories; Rate 20c on \$100.
- Steam engines, Boilers, etc. Rate 40c on \$100.
- Fruit driers, 80c on \$100.
- School houses and Churches, detached; Rate, 20c on \$100.
- Contents to rate same as buildings in which they are kept.

EXPOSURES

An out-building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling, but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, though separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO AGENTS.

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

- Will you keep matches in a safe place? yes.
- Do you allow smoking in barns? no.
- Is fire used in buildings except dwelling? no.
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? yes.
- Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 3883.25 and 20/100 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 19 day of May 1917

House and Barn No. 1 being situated on the Pollard Road, about three (3) miles north of Los Gatos, Santa Clara Co., Cal.
House and Barn No. 2 being situated _____

1. What is your title to said land? Deed
2. What incumbrance? None By whom held? _____
3. How much land do you own on which the property to be insured is situated, and what is its value?
16 $\frac{1}{10}$ acres, worth \$ 6400.00 with improvements.
4. What other fire insurance? None
5. Are the premises occupied by owner? Yes
6. Do all the stove-pipes go direct into good brick chimneys? Yes
7. If the stove pipes pass through wooden partitions or floor, how are they secured? _____
8. How near to wood? _____
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? _____
10. Will you keep matches in a safe place? Yes
11. Do you allow smoking in barns? No
12. Is fire used in buildings except dwelling? No
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes
14. Plastered, papered or cloth lined? Plastered

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 3502 and 00/100 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heir executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 31st day of May 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from build-ings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of build-ings; rate the same as buildings in which they are contained.

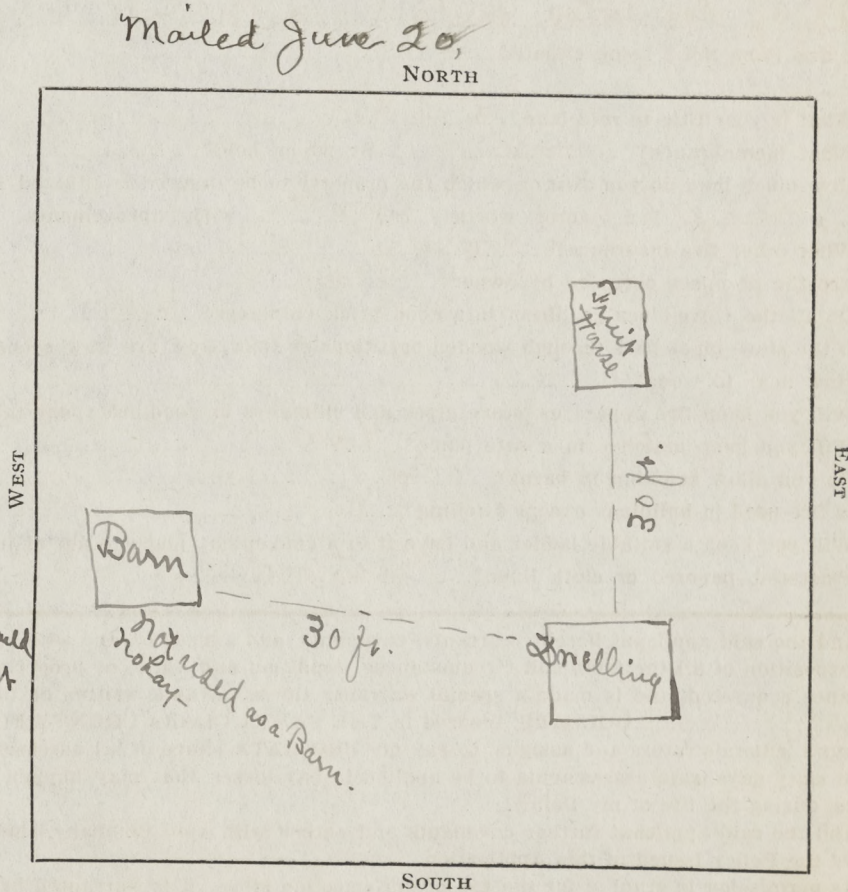

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings in-sured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

Executive Board decided that the Barn, not used as such, will not expose the dwelling, as it is merely an out-building.

House and Barn No. 1 being situated on North side of Bryant Avenue, about 3 1/2 miles South from Mountain View, Santa Clara Co. C
House and Barn No. 2 being situated

- What is your title to said land? Deed.
- What incumbrance? none. By whom held?
- How much land do you own on which the property to be insured is situated, and what is its value?
Ten acres, worth \$ 8000.00 with improvements.
- What other fire insurance? none
- Are the premises occupied by owner? yes.
- Do all the stove-pipes go direct into good brick chimneys? No. - terra-cotta thru sidewall.
- If the stove pipes pass through wooden partitions or floor, how are they secured? by good thimble.
- How near to wood? 1 inch.
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? yes.
- Will you keep matches in a safe place? yes.
- Do you allow smoking in barns? no.
- Is fire used in buildings except dwelling? no.
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? yes.
- Plastered, papered or cloth lined? Ceiled.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Eleven Hundred Fifty DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 4th day of June 1917.

Policy Fee, \$ 1.00
Rate Fee, \$ 10.95
Total, \$ 11.95

Geo R Skinner APPLICANT

Paid - June 4. 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate. Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate. Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.

Exposure and Terra-cotta; Rate, 25c on \$100.

Exposure and Stovepipe; Rate, 35c on \$100.

Exposure and cloth-lining; Rate, 25c on \$100.

Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.

Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.

Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.

Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.

Dairies and Cheese Factories—Rate, 30c on \$100.

Steam Engines, Boilers, etc.; Rate, 40c on \$100.

School Houses and Churches; detached; Rate, 30c on \$100.

Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

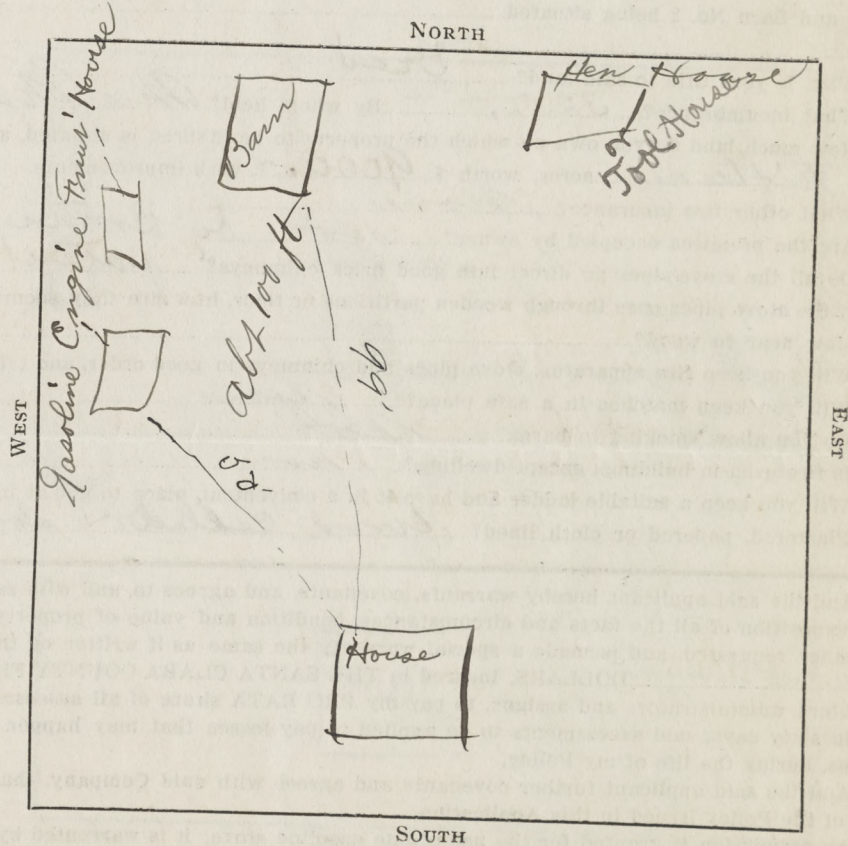

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1 ^{are} being situated on West side of Saratoga Avenue, about 3 miles South of Santa Clara, Santa Clara Co., Cal.
House and Barn No. 2 being situated

- What is your title to said land? Seed.
- What incumbrance? \$7785.00 By whom held? Mrs. Antimecia McDonald.
- How much land do you own on which the property to be insured is situated, and what is its value?
26 1/2 acres, worth \$18000.00 with improvements.
- What other fire insurance? none
- Are the premises occupied by owner? no. - leased to tenant.
- Do all the stove-pipes go direct into good brick chimneys? Yes.
- If the stove pipes pass through wooden partitions or floor, how are they secured? -
- How near to wood? -
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
- Will you keep matches in a safe place? Yes.
- Do you allow smoking in barns? no.
- Is fire used in buildings except dwelling? no.
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
- Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 1620 and 00/100 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 8 day of June 1917.

APPLICANT

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.

Exposure and Terra-cotta; Rate, 25c on \$100.

Exposure and Stovepipe; Rate, 35c on \$100.

Exposure and cloth-lining; Rate, 25c on \$100.

Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.

Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.

Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.

Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.

Dairies and Cheese Factories—Rate, 30c on \$100.

Steam Engines, Boilers, etc.; Rate, 40c on \$100.

School Houses and Churches; detached; Rate, 30c on \$100.

Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

Dear Sirs:

I am in receipt of a letter addressed to Hans Jorgensen, 54 Buena Vista Ave., San Jose, Cal., from the above named company, and as Hans Jorgensen is now deceased, I have been named executor to his estate and will be made heir to same in the near future.

Will you kindly arrange to renew policy No. 3394 and notify me of same in regards to the charges and any other details necessary to fulfill this request as it is impossible for me to come to San Jose for the next two weeks or so.

Respectfully,

H. E. Jorgensen

Dear Miss Taylor

Your's received yesterday the 8th Inst.
And as I am not at home, I have
decided to let the Policy remain
just the same as it is.

So If you will let me know what
the Premium will be on for 3 or
5 yrs, will send you check for amount
of Premium & what I decide on, for either
the 3 or 5 yrs,

Thanking you so much
for all trouble and kindnesses

Rate Fee, \$ 12.33
Total, \$ 13.33

Lizzie L. Townsend APPLICANT.
by C. B. Townsend

Paid by Check - June 26, 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate. Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate. Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

House and Barn No. 1 being situated on Front Street, One mile from Mountain View
Santa Clara County, California
House and Barn No. 2 being situated

1. What is your title to said land? Deed
2. What incumbrance? None By whom held?
3. How much land do you own on which the property to be insured is situated, and what is its value?
5 and 78/100 acres, worth \$ 5000.00 with improvements.
4. What other fire insurance? None
5. Are the premises occupied by owner? Yes
6. Do all the stove-pipes go direct into good brick chimneys? Yes
7. If the stove pipes pass through wooden partitions or floor, how are they secured?
8. How near to wood?
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes
10. Will you keep matches in a safe place? Yes
11. Do you allow smoking in barns? No
12. Is fire used in buildings except dwelling? No
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes
14. Plastered, papered or cloth lined? Cloth and paper, closely tacked, Board ceiling

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Twenty-four hundred and fifty DOLLARS, insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 29 day of June 1917.

House and Barn No. 1 being situated on North side of Stevens Creek Road
about 5 miles West of San Jose, Santa Clara Co., Cal.
House and Barn No. 2 being situated _____

1. What is your title to said land? Deed.
2. What incumbrance? None. By whom held? Bank of Italy, of Santa Clara.
3. How much land do you own on which the property to be insured is situated, and what is its value? Twenty acres, worth \$ 15,000.00 with improvements. Released, Oct. 1919.
4. What other fire insurance? None.
5. Are the premises occupied by owner? Tenant.
6. Do all the stove-pipes go direct into good brick chimneys? Yes.
7. If the stove pipes pass through wooden partitions or floor, how are they secured? _____
8. How near to wood? _____
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? No.
12. Is fire used in buildings except dwelling? None.
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Twenty thousand DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

A. Zarevich APPLICANT.
Paid. - August 7, 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.

Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.

School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

Classification of Risks

First class dwellings and contents detached; basis rate, 10c on \$100.

DEFICIENCIES

1. One or more terra-cotta flues, extending through roof, floor or side walls, adds one fifth to basis rate; Rate, 12c on \$100.
2. One or more stove pipes, extending through roof, floor or side walls, doubles basis rate; Rate 20c on \$100.

3. Cloth lining for whole or any part of dwelling, unless closely tacked to boards, and papered or painted, adds 1/2 to basis rate; Rate, 15c on \$100.

4. Exposure (dwelling, less than 60 feet from buildings classed as exposures) adds 1/2 to basis rate; Rate 15c on \$100.

Exposure and terra-cotta flue... Rate 17c on \$100.
Exposure and stove-pipe... Rate 25c on \$100.
Exposure and cloth lining... Rate 20c on \$100.

Galvanized iron flues, incased in cement, or in larger flues with air chamber between, are classed with brick chimney, and rate as first-class. Tank houses if near dwelling, rate with it. If close to barn, rate with barn.

Barns or stables, detached and their contents, rate at twice a dwelling; Rate 20c on \$100.

Barns, (Exposure), rate 2 1/2 times basis rate; Rate, 25c on \$100.

Fruit houses and Fruit driers (private), sheds, shops, store houses, and other out-buildings, detached. Rate 20c on \$100.

Dairies and cheese factories; Rate 20c on \$100.

Steam engines, Boilers, etc. Rate 40c on \$100.

Fruit driers, 80c on \$100.

School houses and Churches, detached; Rate, 20c on \$100.

Contents to rate same as buildings in which they are kept.

EXPOSURES

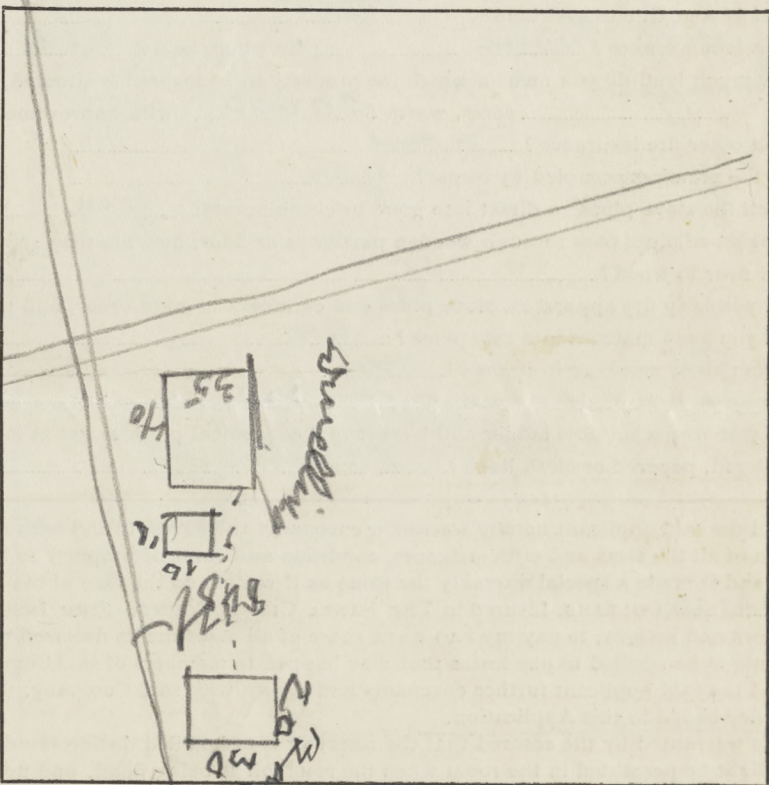

An out-building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling, but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, though separated, constitute a single hazard, they are not exposures to each other.

- What is your title to said land? Deed
- What incumbrance? none By whom held?
- How much land do you own on which the property to be insured is situated, and what is its value?
38 acres, worth \$ 8500.00 with improvements.
- What other fire insurance? none
- Are the premises occupied by owner? Yes
- Do all the stove-pipes go direct into good brick chimneys? Chimney of concrete blocks.
- If the stove pipes pass through wooden partitions or floor, how are they secured?
- How near to wood?
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes
- Will you keep matches in a safe place? Yes
- Do you allow smoking in barns? no
- Is fire used in buildings except dwelling? no
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes
- Plastered, papered or cloth lined? Plastered

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 1720 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

House and Barn No. 1 being situated at # 622 Emory St., College Park, near
San Jose, Santa Clara Co., Cal.
House and Barn No. 2 being situated

- What is your title to said land? Deed.
- What incumbrance? By whom held?
- How much land do you own on which the property to be insured is situated, and what is its value? Lot #1, 80 x 20
Lot #2, 60 x 150 ft., worth \$ 7500.00 with improvements.
- What other fire insurance? none. -Barn # 4389 expires Aug 1920, renew with this one.
- Are the premises occupied by owner? Yes.
- Do all the stove-pipes go direct into good brick chimneys? Yes.
- If the stove pipes pass through wooden partitions or floor, how are they secured?
- How near to wood?
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
- Will you keep matches in a safe place? Yes.
- Do you allow smoking in barns? no.
- Is fire used in buildings except dwelling? no.
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
- Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just
true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of
insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration
Seventeen Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, I
executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Com
within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidenta
penses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall fo
part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled
ing the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is
filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 11 day of July 1917.

Policy Fee, \$ 1.00
Rate Fee, \$ 10.20
Total, \$ 11.20

R. H. Quincy APPLIC

Paid - July 13, 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

Exposure and Stovepipe; Rate, 35c on \$100.

Exposure and cloth-lining; Rate, 25c on \$100.

Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.

Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.

Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.

Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.

Dairies and Cheese Factories—Rate, 30c on \$100.

Steam Engines, Boilers, etc.; Rate, 40c on \$100.

School Houses and Churches; detached; Rate, 30c on \$100.

Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1, being situated on South West corner of San Francisco and Alamo Roads, Santa Clara County, Cal.
House and Barn No. 2 being situated

1. What is your title to said land? Deed - still held by Mrs. Bamhart - Mrs. Bennett.
2. What incumbrance? none. By whom held?
3. How much land do you own on which the property to be insured is situated, and what is its value?
27 acres, worth \$ 12000.00 with improvements.
4. What other fire insurance? none - Dwelling insured - name of owner.
5. Are the premises occupied by owner? By W. S. Bennett, nephew of Mrs. George W. S. Bamhart
6. Do all the stove-pipes go direct into good brick chimneys? Yes.
7. If the stove pipes pass through wooden partitions or floor, how are they secured?
8. How near to wood?
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? no.
12. Is fire used in buildings except dwelling? In Dwelling #2.
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Plastered in part - also wood finished in part.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Six Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 4 day of August 1917.

Article I.

Section 1. The members of this Company shall elect from their own numbers, nine Directors by ballot, in the manner provided in the Act under which the Company is organized, who shall hold their office for one year, and until their successors are elected and qualified.

Sec. 2. Seventy-five members, present in person or by proxy, at any meeting of the Stockholders, shall constitute a quorum for the election of Directors, and for the transaction of any other business that may properly come before them.

Article II.

OFFICERS.

Section 1. The Directors shall elect from their own number a President and Vice-President. They shall also elect a Treasurer and a Secretary, who may or may not be members of the Company, all of whom shall hold their offices for one year and until their successors are elected and qualified.

Article III.

PRESIDENT.

Section 1. It shall be the duty of the President to preside at all meetings of the Company and of the Board of Directors, to sign all policies of insurance, and all orders drawn on the Treasurer, which have been first approved by the Auditing Committee. He shall call the Board of Directors and the Executive Committee together when he deems it necessary, and upon petition of ten members or of a majority of the Board of Directors, and perform all other duties pertaining to his office. In his absence the Vice-President shall perform all such duties.

Article IV.

SECRETARY.

Section 1. It shall be the duty of the Secretary to procure, at the Company's expense, all books, blanks and stationery necessary for its use as determined by the Board of Directors, and to keep a complete and full record of all the proceedings of the Board. He shall receive and file all applications for insurance, and if approved by him and the President, he shall issue a policy thereon, duly signed, collecting the dues and charges therefor before delivery. He shall also have the care and custody of all books, papers and property belonging to the Company and

not belonging to any other officer. He shall give notice of all meetings and elections of the Company and of the Directors; keep the accounts between the Company and its inspectors and officers; prepare and forward all the notices of assessments to the members of the Company, and proceed to collect the same as directed by the Board. He shall pay over, weekly, to the Treasurer, all moneys received by him, taking his receipt therefor; and he shall prepare an annual statement showing the condition of the affairs of the Company on the 31st day of December preceding the annual meeting of the Company and present the same at such meeting; and he shall deliver to his successor all books, papers and property in his hands belonging to the Company.

Article V.

TREASURER.

Section 1. It shall be the duty of the Treasurer to receive all moneys belonging to the Company and pay out the same on orders drawn on him, signed by the President and countersigned by the Secretary; make and present a full report, with proper vouchers, to the annual meeting of the Company, and at any other time he may be directed to do so by the Board of Directors, and he shall deliver to his successor all moneys, books, papers and other property in his hands belonging to the Company.

Article VI.

BOARD OF DIRECTORS.

Section 1. The Board of Directors shall have authority to enact rules and regulations, levy and collect assessments to pay losses and expenses, to classify property for insurance; to fill vacancies that may occur in the Board or any office of the Company until the next meeting of the members, to appoint agents and fix their compensations and compensation of other employees of the Company, and to require bonds of all such agents and employees in such sums as they may determine for the faithful performance of their respective duties; and to do and to perform all other such acts and things necessary to be done and performed for the proper and efficient working and management of the Company. They shall also make full and correct report of their doings at each annual meeting of the Company, in accordance with the laws of the State.

Article VI.

AUDITORS.

Section 1. The Directors shall appoint three of their number as an Auditing Board, whose duty it shall be to audit all accounts of the Secretary and Treasurer and examine all accounts and claims against the Company, and if found correct, approve the same; and no order shall be issued by the President and Secretary upon the Treasurer unless the same has been duly audited by said Board or allowed by vote of the Board of Directors. Any claim rejected by the Auditors may be referred to the Board of Directors, who shall consider the same and allow or reject it, as they deem proper.

Article VIII.

EXECUTIVE COMMITTEE.

Section 1. The Board of Auditors, together with the President and Secretary, shall constitute an Executive Committee, whose business it shall be to transact the general business of the Company, not otherwise provided for, when the Board of Directors are not in session. They shall meet once a month and carefully examine each policy issued during the month, and direct such policies canceled as they think the interest of the Company require to be canceled.

Article IX.

Section 1. This Company will insure no property beyond the limits of Santa Clara County, and nothing within said county other than detached dwellings, school houses, churches, barns (other than hotel and livery barn), fruit dryers and other farm buildings, and such other property as may be contained therein; provided, that no dwelling shall be insured in any village, city or town exposed by any other building within one hundred feet, or by any other risk, other than a dwelling or private barn within two hundred feet of the risk assured.

Article X.

APPLICATION AND AMOUNT.

Section 1. No risk shall be taken for more than five years, nor for more than \$4500, nor to exceed two-thirds of the actual cash value of the property insured. And no application shall be taken unless the inspector shall visit and thoroughly inspect the property to be insured, nor will any loss be paid on any dwelling which at the time of the loss or damage has remained unoccupied for twenty days or more without a permit has been given by the President, Vice-President or Secretary.

Article XI.

MEMBERS.

Section 1. Any person wishing to become a member of this Company must sign an application containing an obligation, binding themselves, their heirs and assigns, to pay their pro rata share to the Company of all the necessary expenses and of all losses by fire which may occur or be sustained by any member thereof during the time for which their respective policies are written, and of such further form as the Board of Directors may prescribe, which application must be approved by the Secretary and President before a policy can be issued thereon.

Sec. 2. He shall also pay to the Secretary at the time the Policy is delivered a fee of \$1.00 on each policy; and he shall also pay one and one-half mills on the dollar of classified risk for one year during which the policy is to be in force.

Article XII.

POLICIES.

Section 1. All policies shall be signed by the President and Secretary and numbered consecutively.

Article XIII.

WITHDRAWAL.

Section 1. Any member may withdraw from the Company by surrendering of his policy for cancellation at any time while the Company continues the business for which it is organized, by giving notice in writing to the Secretary thereof, and paying his share of all claims that may exist against the Company at the time of cancellation. And the President and Secretary may cancel and terminate any policy whenever they deem it necessary, and they must cancel it when so directed by the Executive Committee, as provided in article VIII, by first giving to the insured five days' notice to that effect, and by returning to him any excess of premium he may have paid during the term of the policy over the cost of his insurance, as measured by the rates of the standard fire insurance companies doing business in the State.

Article XIV.

BONDS.

Section 1. The Secretary shall give the bonds in the sum of \$1000 for the faithful performance of all duties pertaining to his office, and the accounting for all moneys and other property of the Company received by him.

Sec. 2. The Treasurer shall give bonds in the sum of \$2500 for the faithful performance of all duties pertaining to his office, and the accounting for all moneys and other property of the Company received by him. All bonds of the officers and employees of this Company shall be approved by the Executive Committee and filed with the President.

Article XV.

LOSS.

Section 1. Every member of the Company who may sustain loss or damage by fire, shall immediately notify the President, or, in his absence, the Secretary thereof, stating the amount of damage or loss sustained or claimed, and if not more than five hundred dollars, then the President and Secretary shall proceed to ascertain the amount of such loss or damage, and adjust the same. If the claim for damage or loss be an amount greater than five hundred dollars, then the President, or in his absence, the Vice-President, or in the absence of both, the Secretary, shall forthwith convene the Board of

Directors, whose duty it shall be when convened to appoint a committee, of not less than three disinterested members of the Company, to ascertain the amount of such damage or loss. If in either case there is a failure of the parties to agree upon the amount of such damage or loss to arbitration, they shall submit the question of the amount of such loss to arbitration.

Sec. 2. The President of the Company shall appoint one disinterested person to act as an arbitrator, and the claimant or insured shall appoint another, and if such two arbitrators shall fail to agree upon the amount of the loss, then they shall select a third disinterested person to act with them. Such arbitrators so appointed shall have full authority to examine witnesses, and to do all other things necessary to the proper determination of the amount of loss sustained by the claimant, and shall make their award in writing to the President of the Company, and such award so as aforesaid shall be final as to the amount of loss sustained.

Sec. 3. The pay of the said committee shall be three dollars (\$3.00) per day for each day's service so rendered, and five cents for each mile necessarily traveled in the discharge of their duties, which shall be paid by the claimant, unless the award of such committee shall exceed the sum offered by the Company in liquidation of such loss or damage, in which case such expense shall be paid by the Company.

Article XVI.

ASSESSMENTS.

Sec. 1. When the amount of any loss shall have been ascertained, which exceeds in amount the cash fund of the company, the President shall convene the Directors of the Company, who will make an assessment upon all of the property to the amount for which each several pieces of property is insured, taken in connection with the rate or premium under which it may be classified.

Article XVII.

Section 1. It shall be the duty of the Secretary whenever such an assessment shall have been made, to immediately notify every person holding a risk in the Company, personally, or by an agent, or by letter directed to his usual postoffice address of the amount of such loss, and of the sum due from him as his share thereof and of the time, and to whom such payment is made, but such time shall be not less than thirty days, nor more than sixty days from the date of such notice. If at the expiration of such time fixed in such notice for the payment of said assessment by said member, the same is not paid, his policy shall lapse during such delinquency, and the Secretary may, after personal demand has been made by an officer of the Company, proceed to collect said assessment on behalf of the company, together with 15 per cent. damages and cost of suit.

Article XVIII.

COMPENSATION.

Section 1. Each Director or member of the Executive Committee shall receive \$2.00 per day for each day actually spent on business of the Company pertaining to his office, except when soliciting insurance.

Sec. 2. Each inspector shall receive one dollar for each application obtained by him which shall be approved.

Article XIX.

These By-Laws may be amended or added to by a vote of the majority of the members present at any regular or called meeting.

House and Barn No. 1 being situated on Los Gatos and Dry Creek Road, about
3/4 of a mile from Campbell, Santa Clara Co., Cal.
House and Barn No. 2 being situated

What is your title to said land? Deed.
What incumbrance? none By whom held?
How much land do you own on which the property to be insured is situated, and what is its value?
28 acres, worth \$ 15000.00 with improvements.
What other fire insurance? no other.
Are the premises occupied by owner? Yes.
Do all the stove-pipes go direct into good brick chimneys? Yes.
If the stove pipes pass through wooden partitions or floor, how are they secured?
How near to wood?
Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
Will you keep matches in a safe place? Yes.
Do you allow smoking in barns? no.
Is fire used in buildings except dwelling? no.
Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration Thirty eight Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

House and Barn No. 1 being situated about 1 1/2 miles North of Campbell, on a
private road leading to applicant's ranch. - Santa Clara Co., Cal.
House and Barn No. 2 being situated 1 1/2 miles West of Hamilton School

1. What is your title to said land? Deed.
2. What incumbrance? 8000.00 By whom held? Bank of Italy - Loss payable.
3. How much land do you own on which the property to be insured is situated, and what is its value?
8 1/2 acres, worth \$? with improvements? ?
4. What other fire insurance? none.
5. Are the premises occupied by owner? Yes.
6. Do all the stove-pipes go direct into good brick chimneys? Yes.
7. If the stove pipes pass through wooden partitions or floor, how are they secured? -
8. How near to wood? -
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? no.
12. Is fire used in buildings except dwelling? no.
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Ceiled over head. - Side walls papered in cloth tacked to boards.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 1290 and 00/100 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 14 day of August 1917.

Policy Fee, \$ 1.00
Rate Fee, \$ 8.90
Total, \$ 9.90

Henry Malatesta APPLICANT

Paid. - Aug. 21. 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.

Exposure and Terra-cotta; Rate, 25c on \$100.

Exposure and Stovepipe; Rate, 35c on \$100.

Exposure and cloth-lining; Rate, 25c on \$100.

Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.

Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.

Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.

Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.

Dairies and Cheese Factories—Rate, 30c on \$100.

Steam Engines, Boilers, etc.; Rate, 40c on \$100.

School Houses and Churches; detached; Rate, 30c on \$100.

Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

Edwin E. Keeshing APPLICANT

Paid - Oct. 19, 1917

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

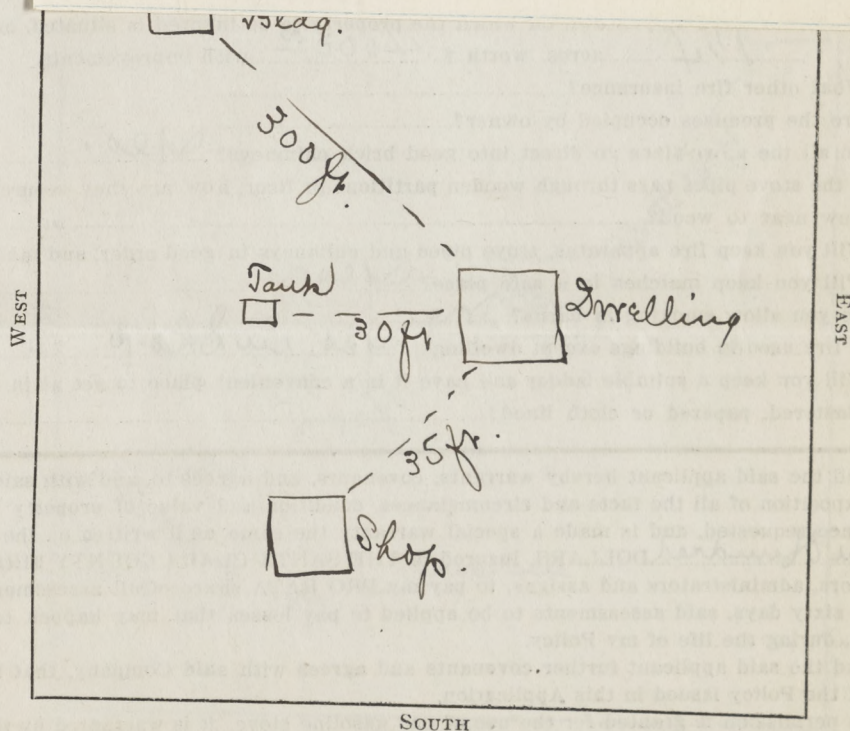

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1 being situated on Center Avenue, near the corner of Tucker, Santa Clara Co., Cal.
 House and Barn No. 2 being situated

- What is your title to said land? Deed.
- What incumbrance? By whom held?
- How much land do you own on which the property to be insured is situated, and what is its value?
10 acres, worth \$ 3000.00 with improvements.
- What other fire insurance? none
- Are the premises occupied by owner? no - tenant
- Do all the stove-pipes go direct into good brick chimneys? no, into terra-cotta
- If the stove pipes pass through wooden partitions or floor, how are they secured? By zinc and flange
- How near to wood? about 4 inches
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? yes
- Will you keep matches in a safe place? yes
- Do you allow smoking in barns? no
- Is fire used in buildings except dwelling? no
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? yes
- Plastered, papered or cloth lined? Papered walls and cloth ceilings

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Eight Hundred DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 23 day of August 1917

Policy Fee, \$ 1.00
 Rate Fee, \$ 5.55
 Total, \$ 6.55

Mary L. Tiffany APPLICANT

Paid - August 23, 1917.

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.

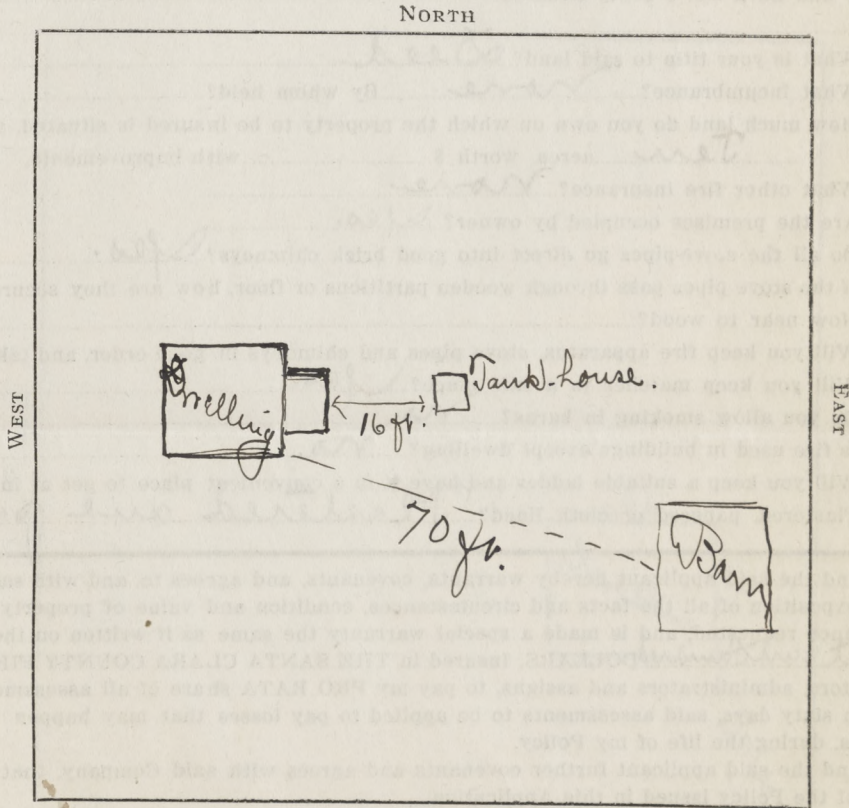

Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

Rate, 30c on \$100.
3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.
Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

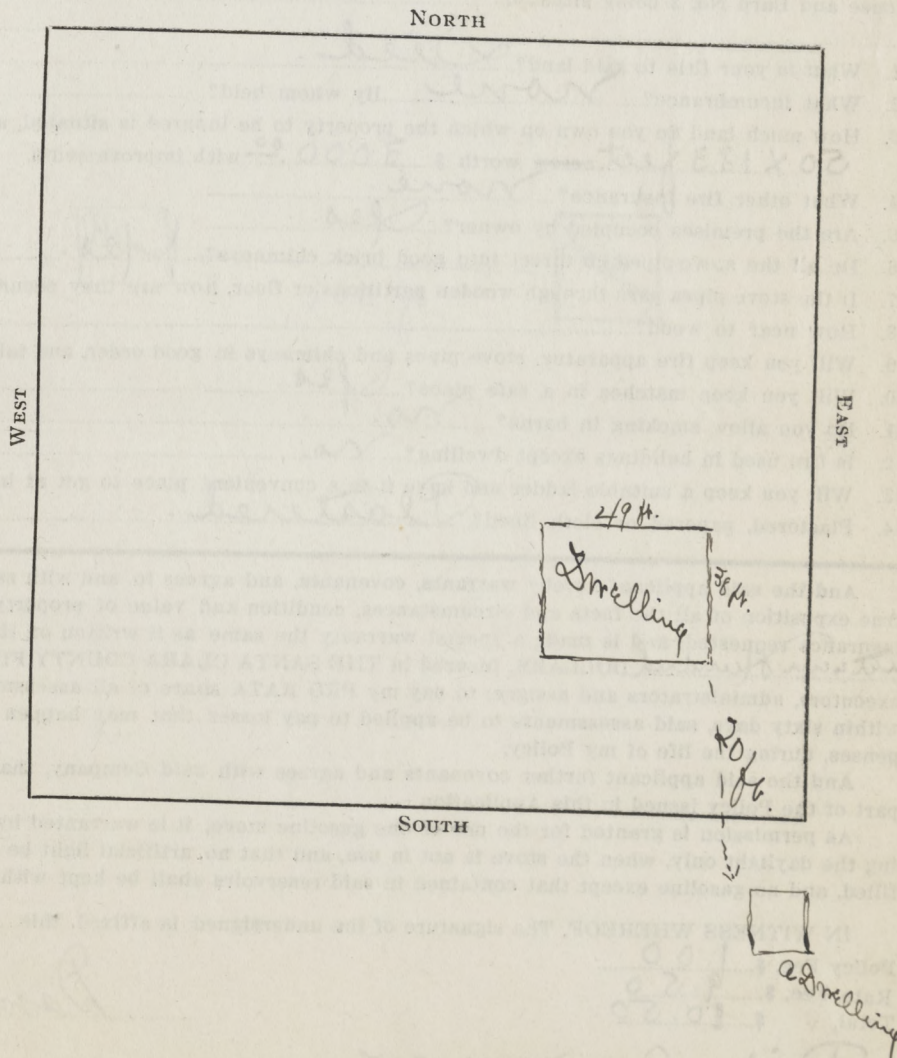

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1 being situated on North-East corner of Lucretia Ave
and Ansley Avenue, about 1/2 mile South-East of San Jose, S.C.C.
 House and Barn No. 2 being situated

- What is your title to said land? Seed.
- What incumbrance? none. By whom held?
- How much land do you own on which the property to be insured is situated, and what is its value?
Two acres, worth \$ 4500.00, with improvements.
- What other fire insurance? none.
- Are the premises occupied by owner? Yes.
- Do all the stove-pipes go direct into good brick chimneys? Yes.
- If the stove pipes pass through wooden partitions or floor, how are they secured?
- How near to wood?
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes
- Will you keep matches in a safe place? Yes.
- Do you allow smoking in barns? no.
- Is fire used in buildings except dwelling? no.
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
- Plastered, papered or cloth lined? Plastered - Metal ceilings.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of Twenty-Six Hundred DOLLARS, insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 28th day of August 1917.

House and Barn No. 1 being situated on North side of San Francisco Road between Bay View Ave. and Murphy Ave., Sunnyvale, Ca
House and Barn No. 2 being situated Seed.

1. What is your title to said land? Seed.
2. What incumbrance? None. By whom held?
3. How much land do you own on which the property to be insured is situated, and what is its value? 5 1/2 acres, worth \$ 5500 with improvements.
4. What other fire insurance? None.
5. Are the premises occupied by owner? Yes.
6. Do all the stove-pipes go direct into good brick chimneys? Yes. One Pipe enters brick chimney thru a water heater; Surrounded by a terra-cotta, incased in cement. - Well secured.
7. If the stove pipes pass through wooden partitions or floor, how are they secured? Well secured.
8. How near to wood? Pipe not near wood.
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? No.
12. Is fire used in buildings except dwelling? No.
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Board furnished and shingled.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 1490 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 1st day of September 1917.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings in-sured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

House and Barn No. 1 being situated on Little Avenue, about 1 1/2 miles from
San Jose, Santa Clara Co., Cal.
House and Barn No. 2 being situated

- What is your title to said land? Deed.
- What incumbrance? none. By whom held?
- How much land do you own on which the property to be insured is situated, and what is its value?
2/3 of an acre, worth \$ 3750.00 with improvements.
- What other fire insurance? none.
- Are the premises occupied by owner? Yes.
- Do all the stove-pipes go direct into good brick chimneys? Yes.
- If the stove pipes pass through wooden partitions or floor, how are they secured? Yes.
- How near to wood?
- Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
- Will you keep matches in a safe place? Yes.
- Do you allow smoking in barns? no.
- Is fire used in buildings except dwelling? no.
- Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
- Plastered, papered or cloth lined? Plastered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 2370.00 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

My dear Miss Taylor

I am enclosing you card-signed-and as I know no one in your city would suggest that you fill in the name of some one to act as proxy

I would appreciate it greatly if you would see to it that the inspector calls at my place-or that you take whatever steps necessary to reappoint my proxy-as I have added to the place considerably and increased the value of the house-my furniture is quite different from the former owner of the place-and I have no piano. Please attend to this for me without delay, and greatly oblige

Yours Very Truly

SAN JOSE, CAL.,

August

1918

Having purchased of

Mrs. L. B. Davidson

the property described in

Policy No. 3504

in the Santa Clara County Fire Insurance Company, and the said Policy

having been assigned to me by said

Mrs. L. B. Davidson

I hereby accept the said Policy

of Insurance

under the conditions which it was issued, and agree

to pay all legal assessments and be governed by the By-Laws of the above Association,

Signed

Little C. Keedy

Address:

400

1500

1000

Total amount

House and Barn No. 1 being situated on corner of Bentre and Calderon Avenue in Old Mountain View, Santa Clara Co. Cal.

House and Barn No. 2 being situated

1. What is your title to said land? Fee Simple
2. What incumbrance? none By whom held?
3. How much land do you own on which the property to be insured is situated, and what is its value? 2 and 3/4 31/100 acres, worth \$ 5000.00 with improvements.
4. What other fire insurance? none.
5. Are the premises occupied by owner? Yes.
6. Do all the stove-pipes go direct into good brick chimneys? Yes.
7. If the stove pipes pass through wooden partitions or floor, how are they secured?
8. How near to wood?
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? Yes.
10. Will you keep matches in a safe place? Yes.
11. Do you allow smoking in barns? no.
12. Is fire used in buildings except dwelling? no.
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? Yes.
14. Plastered, papered or cloth lined? Cloth lined, tacked to boards and papered.

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of One Thousand DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

IN WITNESS WHEREOF, The signature of the undersigned is affixed, this 11 day of Sept 1917

Gentlemen-Herewith is the policy of Mrs. L. B. Davidson, which please
renew in the name of Lottie C. Keedy, who has purchased the property.

Her furniture should be placed at the same figure, and the house
amount raised, or else applied to the shedhouses in the rear (more than
200 feet) . They are used for feed, storage, etc.

Please attend to this as soon as possible, and oblige. Return the
policy to me.

Very Truly Yours,

W D Wasson

NOTICE TO INSPECTORS

On diagram show all buildings in-
sured, and all exposures within 100
feet; say just what each building is
occupied for, and mark distances in
figures between all buildings shown
on Diagram.

(Main Building's
property)

Classification of Risks

First-class dwellings and contents, detached;
Basis rate, 15c on \$100.

DEFICIENCIES.

- 1. One or more terra-cotta flues, extending through roof, floor, or side-walls, adds one fifth to basis rate.
Rate, 18c on \$100.
- 2. One or more stovepipes, extending thru roof floor, or side-walls, double basis rate.
Rate, 30c on \$100.
- 3. Cloth-lining, for whole or any part of ceiling, unless closely tacked to boards and papered or painted, adds one third to basis rate.
Rate, 20c on \$100.
- 4. Exposures—Dwelling from 40 to 60 ft. from buildings classed as exposures; Rate, 20c on \$100.

Dwellings less than 40 ft. from bldgs. classed as exposures; Rate, 25c on \$100.
Exposure and Terra-cotta; Rate, 25c on \$100.
Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from build- ings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out- buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of build- ings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

Exposure and Stovepipe; Rate, 35c on \$100.
Exposure and cloth-lining; Rate, 25c on \$100.
Tank-houses, if near dwelling, rate with Dwelling. If near Barn, rate with Barn.
Barns or Stables, detached, rate at twice a Dwelling rate. Rate, 30c on \$100.
Barns or Stables, from 40 to 60 ft. from buildings classed as exposures.—Rate, 35c on \$100.

Barns or Stables, less than 40 ft. from buildings, classed as exposures.—Rate, 40c on \$100.
Fruit Houses, and Fruit Driers (private), Sheds, Shops, Storehouses, and other out-buildings, detached; Rate, 30c on \$100.
Dairies and Cheese Factories—Rate, 30c on \$100.
Steam Engines, Boilers, etc.; Rate, 40c on \$100.
School Houses and Churches; detached; Rate, 30c on \$100.
Fruit and Hay, and other contents of buildings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.
When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

1. What is your title to said land? Deed.
2. What incumbrance? none By whom held?
3. How much land do you own on which the property to be insured is situated, and what is its value?
26 acres, worth \$ 25000.00 with improvements.
4. What other fire insurance? none
5. Are the premises occupied by owner? yes
6. Do all the stove-pipes go direct into good brick chimneys? Yes Pipe in Dipping Plant.
7. If the stove pipes pass through wooden partitions or floor, how are they secured?
8. How near to wood? 6 inches
9. Will you keep fire apparatus, stove pipes and chimneys in good order, and take proper care of ashes and embers? yes
10. Will you keep matches in a safe place? yes
11. Do you allow smoking in barns? no
12. Is fire used in buildings except dwelling? Dipping Plant in Fruit Season.
13. Will you keep a suitable ladder and have it in a convenient place to get at in case of fire? yes
14. Plastered, papered or cloth lined?

And the said applicant hereby warrants, covenants, and agrees to, and with said Company, that the foregoing is a full, just and true exposition of all the facts and circumstances, condition and value of property to be Insured, and is offered as a basis of the insurance requested, and is made a special warranty the same as if written on the face of the Policy. For and in consideration of 1165.00 DOLLARS, Insured in THE SANTA CLARA COUNTY FIRE INSURANCE COMPANY, I bind myself, heirs, executors, administrators and assigns, to pay my PRO RATA share of all assessments declared by the Directors of said Company, within sixty days, said assessments to be applied to pay losses that may happen to members of said Company, or incidental expenses, during the life of my Policy.

And the said applicant further covenants and agrees with said Company, that the By-Laws of the said Company shall form a part of the Policy issued in this Application.

As permission is granted for the use of one gasoline stove, it is warranted by the assured that the reservoir is to be filled during the daylight only, when the stove is not in use, and that no artificial light be permitted in the room when the reservoir is being filled, and no gasoline except that contained in said reservoirs shall be kept within the building.

NOTICE TO INSPECTORS

On diagram show all buildings insured, and all exposures within 100 feet; say just what each building is occupied for, and mark distances in figures between all buildings shown on Diagram.

ings; rate the same as buildings in which they are contained.

EXPOSURES.

An out building, except a barn or stable, in which no fire is used, is not an exposure to a dwelling; but a barn or stable is an exposure to a dwelling, and a dwelling is an exposure to a barn or a stable.

When two or more buildings, adjoining or adjacent, are occupied by the same person for a common purpose, so that the buildings, tho separated, constitute a single hazard, they are not exposures to each other.
